The Holly Hill Academy Stage Company will host its' very first "HHA's Got Talent" this spring. The Stage Company would like to invite all current students, alumni, and faculty and family members to come take part in this variety show. If you or someone you know would like to participate, we will be emailing performance forms that need to be filled out and returned to Miss Dana Shuler as soon as possible. (The deadline for accepting these forms will be April 7th, due to the fact that we will be leaving for Spring Break and when we return, we will need to set up practices before we run out of time.) You may also stop by the office and pick up a performance form or download it from our website (hollyhillacademy.org). Please email Mrs. Dana S. Shuler at dsshuler@yahoo.com for any questions or concerns about the show. We welcome any and all varieties of talent. We will assign times for practicing on stage when we return from Spring Break. Our practice time slots will be limited to weekdays between 1:30 and 2:30pm. If you need an alternate time, we will try an accommodate you. If you or someone you know does not wish to participate, please still try and come out and enjoy an afternoon of talented entertainment. Our very on Stage Company will be hosting and running the show. We will have an MC, "judges" (there will be no winners chosen), a light crew, a sound crew and stage managers. We may even provide a little extra surprise entertainment to this fun filled afternoon! We look forward to hearing from you in the near future.

Thanks,

Holly Hill Academy Stage Company Director, Dana S. Shuler
