

HOLLY HILL ACADEMY EARLY LEARNING CENTER

CHECKLIST FOR NEW STUDENTS

Please provide the following items for your child. We will provide the love, care and attention that they deserve.

- Snacks, lunch, and/or drinks daily if they do not like what is listed on our menu.
- Blanket and/or pillow to make quiet time more comfortable. We will provide sheets for their cot.
- Water bottle or sippy cup labeled with a permanent marker.
- A change of clothes to be kept in their cubby...just in case.
- An ample supply of pull-ups, diapers, wipes, and needed ointments to be kept in their cubby.
- For infants, formula, bottles, and food you wish your child to have.
- If potty training, you must provide a special training potty labeled with your child's name if you are not ready for them to use the toilet.
- If your child requires prescribed medications, please make sure we have them. They will be administered as needed according to the prescription label. This includes, but not limited to, inhalers, Epi-pens, etc.

Please make sure all personal items are marked clearly with a permanent marker. Toys can be brought from home, but we are not responsible for these items. If they are not labeled, they will most probably end up in our toy box. If playing with items becomes a problem, they will be put up in their cubby.
