

E-mail Registraion

In an effort to keep all families informed of events, changes in calendars, and general school updates, we are asking families to provide HHA with their e-mail address. Please supply us with the address that would best reach parents in each household. (Note: only pertinent information will be provided to families – you will not be put on any other mailing list or spam list!)

Please send this form to the HHA office as soon as possible. If you are aware of any other members of the HHA family (friends, alumni, grandparents, etc) that would like to receive our updates let us know!

Parent's Name: _____

E-mail address (print clearly): _____
