Raider Fans:

Welcome to the 2017-2018 school year. We are anticipating a great year for our athletes, coaches, and fans. The athletic program at HHA is entirely funded by the Booster Club. Money to support this program comes from Booster Club dues, gates, concessions, fund raisers, and contributions. In order to keep our athletes properly equipped and our facilities maintained, we need your support. **Booster Club dues of \$75 are required to be paid for all B-team, JV, and Varsity athletes. Only one membership per family is required.** Membership dues should be paid separately to the Booster Club with checks made payable to "HHA Athletics."

We also encourage all non-athlete families to join the Booster Club to support this great program at HHA. Not only are you supporting our current athletes and coaches by joining the Booster Club, you are also helping to ensure the great athletic tradition at HHA for the future. Again, membership dues are \$75 per family.

We appreciate the support of our RAIDER FANS and look forward to seeing you at many sporting events to support our athletic teams.
