

Holly Hill Academy Booster Club

Welcome to the 2018-2019 school year! It is an exciting time to be a Raider! We are looking forward to an excellent year for our teams and their coaches.

The athletic program at HHA is completely funded by the Booster Club. Money to support this program comes from Booster Club dues, gates, concessions, contributions from sponsors and fundraisers. Monies raised are used to keep our athletes properly equipped as well as maintain and make improvements to our facilities. Booster Club dues of \$100 per athlete are required for all B-team, JV, and Varsity athletes. These dues should be paid separately to the Booster Club.

We also encourage all non-athletic families to join the Booster Club to support our athletic programs here at HHA. Your support of our current athletes and coaches helps to ensure great athletic programs in the future and is greatly appreciated.

We look forward to seeing you at the field or on the court supporting our athletic teams!! Our RAIDER fans are the best!
