

## Early Morning Drop Off

Early morning drop-off is from 6:30 - 7:45 A.M. This special service does require parents to sign a month by month contract so that we can have proper staffing for our students. The cost will be \$50.00 per month, per child. **Payments must be received on the first of each month. There will be a \$10.00 late fee added each additional week that payment is not received. The first payment for August 2021 is due by the 16th.**

Please know that the cost is \$50.00 per month even if you choose to only utilize this service for different days throughout the week. The fee **will not** be prorated for the months that have vacation weeks in them or vacation days. This service is only running our families \$2.50 per hour. We are excited that we are able to provide your child with high quality care for this low rate.

**Please initial beside the months that you need an early morning drop off.**
