Students with a valid driver's license are allowed the privilege of parking in the designated student parking lot. You must have your vehicle registered before the first week of school or on the day you begin driving to school. Students will be issued a parking sticker which should be displayed on the rear driver's side window – bottom right corner

Parking lot rules:

- Students are expected to park in the lot in front of the gym. Students must keep volume low when pulling in and out of the school.
- Speeds in excess of 10 miles per hour on school grounds are prohibited.
- There will be no loitering in or around vehicles in the parking lot.
- Students are not allowed to leave in their vehicles during the school day without the permission from the office and written permission from their parents.

Non-compliance with these expectations may lead to revocation of parking privileges and school disciplinary action. If HHA has a reasonable suspicion that there is evidence of contraband in a vehicle parked on school property, it may be searched. Vehicles are also subject to random canine searches. Remember that driving to school is a privilege that may be suspended or revoked at the discretion of the Head of school.

By signing below, I acknowledge that I have read a copy of all of the rules regarding driving/parking at school.
